ABOUT KOLKATA

Kolkata is the principal commercial, cultural, and educational centre of Eastern India.

The city has nurtured five Nobel laureates, Rabindranath Tagore, Mother Teresa, Ronald Ross, C.V. Raman, and Amartya Sen.

Kolkata is well connected with the rest of India through air and rail transport.

Airport:: Netaji Subhas Chandra Bose International Airport

Train: Three main Railway Stations Howrah, Sealdah and Kolkata are terminal stations of South Eastern and Eastern Railways

The weather of Kolkata in February is expected to be pleasant with low humidity and temperature varying between 15-25°C.
